

E2

Eidolon E2 is an outdoor 150W power IP66 waterproof gobo projector with one big power LED light source. The die-cast aluminum housing and air-cooling heat dissipation technology ensure the reliable stability of the fixture. It has electronic zoom of 20–40°. Equipped with 4 rotating gobos and 1 dynamic effect wheel, it can achieve rich and colorful effects. It has an OLED display with touch buttons and is applied in theme parks, amusement places, landmark, building complexes, outdoor performances and other places.
